Sunshine and Warmth!

[Forward to a Friend](#)

As I write this, it is 88 degrees, sunny and warm in Nashville, Tennessee. This weekend we celebrated the marriage of my step-son, Brock Jr., and we welcomed guests to our house from Big Sky, Montana, Buffalo, New York, and Cincinnati, Ohio. Our guests were all enjoying the **sunshine** and relative **warmth** here. They were lamenting that winter has not quite broken its hold on those locations and that snow is still falling. So if you are needing a little **sunshine and warmth**, let me send it your way, via a happy newsletter!

Jane Short, President

By the end of March, our bodies were tired of skiing and it was time to drive back to Tennessee. We took the scenic way home for sure – we were gone for almost 2 weeks! We stopped in Jackson, WY for some art shopping and to celebrate Brock's birthday. Then we drove down to Zion National Park. There, we got up before sunrise to enjoy the solitude of the park and to take a beautiful hike. Then it was on to Sedona, Arizona for some golf, hiking, **sunshine, and warmth!** From there we drove to Phoenix. There, we attended the Diamondbacks' last spring training game and first regular season game, golfed at three beautiful and amazing golf courses, toured the Desert Botanical Gardens, and celebrated my birthday. We kept going south to Tucson, to meet one of Brock's childhood friends and his wife – they hadn't seen each other since they were 15! Brock's friend took us on a beautiful hike. We then drove to the Painted Desert and Petrified Forest National Park – love that! The whole time we were in Arizona, it was **sunny and warm!** Then we had three long days of driving to make it back to Nashville. It was a wonderful trip, and we sure are glad we soaked up the **sunshine and warmth** in Arizona, because it wasn't that spring-like when we arrived in Tennessee.

I am happy to announce that I now have a new daughter-in-law, Brittany Parker, who just married my step-son, Brock Jr (31). They are honeymooning in the Dominican Republic. It was a lovely wedding. They will be living in Nashville, TN.

We now have fifteen members! Welcome back to **Anne Freeman Ball, Helen Hales Elliott, Darla Davis Jones, and Bonnie Smith Rigg!** I really appreciate your continued support of Nu Sigma Nu. You can find the current list of members on the sidebar.

Thanks so much to **Bonnie and Matt Rigg** of Kalispell, who took time out of their busy schedule in mid-March to visit our alzheimer's patient, **Catherine "Kate" Church Luscher**, in Whitefish. Kate, her husband, daughter and son-in-law were just on their way to a separate dining room reserved for special occasions. Since they hadn't eaten dinner yet, Bonnie and Matt's visit was brief but Kate enjoyed it

Ritual Moment

May is here and with it comes changes, cleaning, flowers and showers. The newness that comes with the spring season is great, but can be easy to get swept up in. Let's recognize the importance of balance. This month, a stanza from *The Symphony* shall be our mantra: "To keep my life in tune with the world that I shall make no discords in the harmony of life."

What does harmony mean to you? In what ways can you keep your life in tune? Attend to that to-do list collecting dust in the corner. Celebrate even the smallest of accomplishments. Schedule the week's meals ahead of time. Put aside a few minutes every day to do something for yourself. Balance the different compartments of your life: work, home, friends, family, altruism, "me" time. For every one thing you plan, do something spontaneous! It can be as big as a weekend trip or as small as treating yourself to a midday coffee. While we're on the subject, don't forget to "keep in tune" with sisters near and far! Here's to a month of happiness and harmony.

Happy May!

Chapter News

Speaking of "keeping in tune" with sisters near and far: you will soon receive an Excel spreadsheet list containing contact information for the other Alpha Chi Omega alumnae who live in your town. Use this information to reach out to at least one Alpha Chi Omega sister and encourage her to become involved. Invite her to breakfast or lunch! Let me know what you did, and please send me photos!

The balance in our treasury is currently: \$747.43.

I am planning to have an Alpha Chi Omega get-together in Big Sky for us August 1-3. The agenda includes presenting milestone pins to our members, attending a big outdoor concert, having meals together, and some outdoor activities if you're game! Come to learn about what happened at our National Convention! Don't miss it! Spouses are invited too!

Convention

Jane Short will be attending the Alpha Chi Omega National Convention July 11-14 in Palm Desert, California. She is attending as the Province Alumnae Chairman for Kentucky and Tennessee, but she will also be able to absorb information which will be of help to our alumnae chapter.

Member News

Congratulations to **Leslee Purdy Haylett** of Helena, whose daughter Lauren gave birth to a son, Christian Cole, on May 9! This is Leslee's first grandchild! Christian weighed 8 pounds and 6 ounces, and mother and child are doing great.

Darla Davis Jones of Billings recently lost her father-in-law, who was 84. She says he was a great guy and they were sad to lose him. We are sorry too, Darla.

Anne Freeman Ball of Billings and her husband Christian recently purchased a second home in Big Sky! I am so excited that I will be getting to see more of them in the summer and winter! They are big skiers, so I look forward to taking some turns with them, too!

Susie Webb Park of Kalispell was born in Forth Worth, TX and graduated from high school there in 1961. She earned a B. S. degree in science and education from Texas Tech in 1965. She married Jerry Park in June 1964. From the Univ. of Central OK and OK State she received a M.Ed. in 1979 and a Ph.D. in 1989. She taught in the late 60's, 80, 90's to 2011 in secondary education in the Dallas, OKC and OK University Systems. She retired from teaching in 2011 and moved to Kalispell then. She has 3 grown children and one adopted Taiwanese student. Her husband Jerry died in 2013.

Congratulations to our current Province Alumnae Chairman, **Rebecca Cleland Olson** of Seattle. On June 1, 2014 she will start a one-year term as the Lead Specialist for Ritual for Alpha Chi Omega! Thank you for being our Province Alumnae Chairman, Rebecca!

Welcome to **Michelle Hawes** of Sammamish, WA! As of June 1, 2014 she will start a two-year term as our new Province Alumnae Chairman!

The following news is from **Bonnie Rigg**:

(1) We will be in MT on July 1 after a week in late June in North Carolina for a wedding in New Bern and a few days in Raleigh and the Outer Banks.

(2) I will be teaching 2 art history classes at UM in the Fall and expect to exhibit in the Faculty Art Show in September.

(3) We are planning a 3 week trip to Europe this winter to be at the Berlin Wall on New Year's eve. Since we were there for New Year's when it came down in 1989 and since this will be the 25th Anniversary, we thought it would be fun to go back to Berlin to celebrate there again. We are planning to rent a car and tour around Germany and Austria after the New Year's eve celebration.

Leslee Haylett's grandson Christian and daughter Lauren

Recipe: Susie's Enchilada Casserole

From **Susie Webb Park** of Kalispell

- 1 can cream of chicken soup
- 1 can cream of mushroom soup
- 1 can enchilada (not mild) sauce
- 1 onion
- 2 pounds hamburger, browned
- 8 oz. cheese

Cook in skillet, flour or corn tortillas quartered. Arrange in layers meat, tortilla, cheese. Cook till cheese melts.
